

# Tulare Downtown Foundation Mission and Beliefs

We are the Tulare Downtown Foundation and we're raising funds to promote the downtown and the community programs that we offer that provide recognition for our members, our sponsors and our downtown businesses.

## We believe:

Downtown Tulare can be a local "destination."

Downtown Tulare can be something new and re-envisioned to be a home, an entertainment destination and business district with hundreds of visitors monthly.

Reviving and supporting the downtown takes a community.

## This is how we arrive at a thriving downtown:

We clean up the streets.

We list real estate and work with agents and developers.

We produce events that bring people together and downtown.

We use assessments from our business owners and foundation to fund these efforts.

## Among others, this is what you'll feel participating with us:

1. **Pride**: Tulare is a town with a lot of history. Olympians, military heroes, movie stars and more come from this area.
2. **Satisfaction**: With enough investment you'll see your efforts turn downtown Tulare into a mecca for everyone.
3. **Joy**: Seeing families gather in the downtown to use the facilities, visit the businesses and just plain have fun will make you feel joyful knowing you helped it happen.

**Become a member now!** Through your participation we can continue as an advocate and force in the downtown. **You'll seeing a new, lively and re-invigorated downtown Tulare by donating today! Visit [Tularedt.org](http://Tularedt.org) to join or call (559)684-2350.**
